CONTACT REPORT

[] with @KASTELL and @KUTZBACH

21 April 1965

@KASTELL's Office

[] (SCHOEEL)

Passed KUTZBACH two audio devices and explained assembly and operation thereof. [] KASTELL who is by now embarrassed over the constant loan of the gadgets promised us a report on the workings. We noted, however, that [] KUTZBACH mentioned no names or details in KASTELL's presence, so we still do not know whether KUTZBACH's candidness is known to KASTELL. KASTELL also informed us that both he and KUTZBACH will go to Copenhagen for the next trip. KASTELL is most likely the senior CATIDE officer referred to by [] . Believe we will get the straight story from KUTZBACH, therefore will not try a piggyback. We also informed KASTELL that he could buy two SRT-5s for \$570.00 per. He said he would ask @SCHIRLING how much money was in the Tech budget and let us know whether he could afford the devices now.
